### PAGEANT BRIEF

The Miss Niger Delta Peace Cultural Pageant is an annual event organised by Miss Niger Delta Beauty Pageant International, an organisation that is duly registered with the Corporate Affairs Commission(CAC) of Nigeria, with RC No. 404,688. The organisation is also registered with the Federal Ministry of Culture and Tourism, the Copyright Commission of Nigeria, and trademark endorsement of Ministry of Commerce and Industry with the organisation having the proprietary right as proprietor of Miss Niger Delta Beauty Pageant. **MND organisation is an accredited member of the Association of Beauty Pageant Organisers of Nigeria(ABPON).**

The aims and objectives of the Miss Niger Delta event and post event projects are centered on re-orientation of values, socio-cultural integration, peace promotion, talent and skills development, training and capacity building for self reliance and self employment of female youths of Niger Delta. The Miss Niger Beauty Pageant is not all about funfare for crowning beauty queens but one event with a purpose aimed at discovering and assisting talented female youths of the Niger Delta to play their roles as ambassadors for peace and development and as proud daughters of Niger Delta.

The organisation has produced 15 beauty queens since its inception in 1999. The functional titles of the crowns are: **Ambassador for Peace and Development, Symbol of Talent, Model for Change, Face of Beauty, Pride of Niger Delta, Beauty for Environment, Miss Niger Delta in Diaspora and promotional brand titles.** These beauty queens are using their positions and offices to add value to life, promoting economic empowerment as well as bringing about positive change and transformation in the region, as role models.

The MND Peace Cultural Pageant which started in 1999 is employed as a platform to project the image of the Niger Delta positively and also promote the rich cultural heritage of the region in culture, fashion, indigenous music, dance, traditional hospitality, as well as the beauty and inviting tourism sites in the region. The pageant is organised with respect for the dignity of womanhood and our cultural values. The dress code of our contestants (traditional and dinner wears) forbids indecent exposures during the events.

We wish you the very best in the Miss Niger Delta 2016 contest.
